### About This Game

Cold Hearts is a visual novel about refrigerators, loneliness and the meaning of life. Befriend and date household appliances, melt their frozen hearts, solve the crime story and uncover the truth - the real reason why these girl-fridges made contact with you, of all people!

Developed by two influencers and game developers, Outstar (The Witcher 3, Eventide: Slavic Fable) and Memoriesin8bit (Mothergunship) as a passion project to share the love for visual novels among those new to the genre, as well as experienced players.

#### Key features:

- no stats grinding to achieve your dream ending - all stories unfold solely by your decisions
- collectibles (fridge magnets) and multiple unlockable artworks in every path
- a mix of comedy and serious themes with sad undertones
- genderless protagonist - let your imagination run free and imagine any protagonist you like, as game won't mention your gender

#### Includes:

- 6 paths with multiple endings (including secret, unlockable path) and numerous decisions to be made
- 7 romanceable characters
- 20+ endings
- save, skip, rewind - all features you need to comfortably explore every route and ending
